From

To The Secretary to the Government of Mysore, General and Revenue Departments

Sir,

With reference to Government Order No 950-2 Ed 2 19-96 of the 29th ultimo sanctioning an appropriation of Rs 6,700/- for new Buildings from the State funds Budget of the current official year, I have the honour to inform you that the present building of the Anglo-Vernacular School, Bowringpete consists of 2 halls measuring each 24'X15' The strength of the School is 145 and the accommodation available in the present building is not sufficient for the requirements of the school. Bowringpete is a rising town and it is not possible to procure a convenient building for rent

Ed 97-00 Sl 2

It is therefore absolutely necessary to extend the present school house by the addition of two wings on either side, so as to provide for four more rooms according to the design enclosed herewith. The proposed extension is estimated to cost Rs 4,342 including the D.P.W establishment charges. I request that Government may be pleased to sanction the extension of the Anglo-Vernacular School building at Bowringpete. The plan and estimate prepared by the Executive Engineer, Kolar Division are forwarded herewith for reference and obliging return
